BAR & GRILL

STUFF YOU REALLY NEED TO KNOW

The Vortex Bar & Grill has earned a reputation for having the **Best Burgers in Atlanta**, a huge beer & spirit selection, really terrific bar food and a no-nonsense style. We take pride in offering our customers superior food and drink at reasonable prices and we strive to provide an enjoyable atmosphere along with professional and efficient service.

ALL WE ASK IN RETURN IS THAT YOU DON'T COME IN HERE AND START ACTING LIKE A DAMNED FOOL!

We suggest you review the Vortex policies below. Enjoy your visit, stay out of trouble and play nicely with others.

WARNING

The Vortex Bar & Grill is not politically correct. If you are easily offended, there's a good chance you'll be offended here. We offer our customers a bunch of booze, the option to smoke, delicious grilled animals to eat, and ridiculous, sophomoric humor. So consider yourself warned, tight-ass.

READ OUR MENUS

Everything you need to know about our food and beverage selection is printed somewhere within our menus. Please read them thoroughly. If you ask us stupid questions we will be forced to mock you mercilessly.

NO WHINING

The Vortex Bar & Grill is not a Public Library, it is a privately owned bar and as such we enforce a very strict "No-Whining" policy. We are sorry if you are offended by the rowdy strippers sitting at the table next to you, or if you think that the bar area is too smoky, or if you don't like the music, but if you really need to have total control over your environment, then you really need to stay home.

SMOKING & AGE RESTRICTION

The Vortex is proud to accommodate non-smokers and smokers alike, and we will continue to do so as long as this choice is not taken away from small business owners by evil zealots and petty bureaucrats. Believe us, they've tried. In accordance with **The Georgia Smoke-free Air Act of 2005**, you must now be 18 or older to enter The Vortex at any time. If you cannot tolerate being around any type of smoke, we suggest you go somewhere else. If you are going to smoke, make sure you know where our designated smoking areas are. We do not allow the smoking of cigars, pipes or clove cigarettes at any time.

IDIOT-FREE ZONE

At The Vortex Bar & Grill the customer is NOT always right. We reserve the right to refuse service to anyone, especially if we think that you're a great big jerk. We strive to keep The Vortex an official "**Idiot-Free Zone**" at all times, so if you're acting like an idiot, we'll be sure to let you know, right before we throw your silly ass out.

PEAK HOURS AND SEATING

If we are on a wait for tables, make sure to give your name to the Host or Hostess. This is the only way that you will get a seat. Be advised that we will not seat incomplete parties during any peak business time. We know all your little tricks too, so don't even try them. And don't ever come in here and start moving the furniture around like you own the place or we'll slap you like a red-headed stepchild. If your group has special seating needs, please let the Manager, Host or Server help you. Really, we want to help you.

FRESH FOOD PREPARATION NOTICE

All the items on our menu are fresh, and cooked to order. We strive to have food to your table within 20 minutes but if we are very busy your order may take a little longer. Any well-done burgers will also increase your wait time. You see, a half pound of fresh, raw sirloin actually has to cook! Nothing at The Vortex ever sits under a heat lamp. This ain't **fast** food, it's **good** food.

SPECIAL ORDERS & EXTRAS

The Vortex is a true short-order kitchen. We will gladly prepare special orders whenever it is possible. If you place an order for something that is not on our menu, and we do make it for you, we will charge you whatever damn price we think is fair and you'll thank us for it. If you request extra stuff, that's no problem either, but you will be charged for it. Hey, we don't get any of this stuff for free. Requested deletions will not reduce the price of any menu item.

SEPARATE CHECKS

If you are dining with people that you just don't trust, you may request a separate check. But please ask your Server for your own check when placing your order, otherwise you're gonna screw up our system. We will NOT issue separate checks for parties of six or more people, but we will happily supply you with a calculator.

PAYMENT

Cash is great. We also accept most major plastic. Sorry, but we do NOT accept personal checks or traveler's checks. **GEEK NOTE:** If you review your bank activity "online," you should know when you use certain debit cards at restaurants the dollar amount may appear greater than the actual "charge" amount for a period of up to three days. This is a banking industry policy that The Vortex has absolutely no control over so don't be calling us crying about it. Contact your bank or card issuer for more information.

TIP OR DIE

An 18% gratuity may be added to your check if you are a party of six or more. If you think that tipping is a scam, then buy yourself a TV dinner, stay home and watch wrestling. Tipping is how our Servers and Bartenders make their living. If you ever feel that you have received substandard service, **please** notify the Manager-on-Duty before you leave. We really want to know.

TAKE-OUT ORDERS

At The Vortex, our "dine-in" guests are always our first priority so we may suspend take-out orders during peak business times. When the restaurant is busy, we don't have time to wait while you ask all your co-workers what dressing they want on their salads, so please have your order complete before calling. Pay attention to which Vortex location you dial because that is where your food will be waiting for you. We will give you an approximate pick-up time for your order, so if your food sits around and gets cold and soggy, it's your own damn fault. Always check the contents of your order before you leave. We will NOT be responsible for errors or missing items once orders are removed from our premises. All menu items, prices and descriptions are subject to change without notice. A 5% packaging fee is added to all take-out orders. An additional 10% is added to orders of 25 or more items. If you order food to-go, you can't eat it in the restaurant, that's why it's called "take-out."

CUSTOMER COMMENTS

In an effort to constantly improve our operation, we welcome your comments.
